Should the "Already Dialed" group be added as DNC?

Subject: Recap

I forgot to mention you should also take the ALREADY DIALED from
Strathmore-Tonia into the Strathmore main account so we don't call them
again

So from STRATHMORE-TONIA...

1. Take UNSUBS or PRESS 9's and move them to main STRATHMORE
account as do NOT call
2. Take all "not called" numbers and add to architect campaign in
Strathmore (so we can call them)
3. Take all "ALREADY DIALED" and add as already dialed in Strathmore
(so we don't call them)

Let me know and thanks

Thank you,

Justin Grella
